

This Form 99 Miscellaneous Report is being filed in response to the July 25, 2011 letter from the Federal Election Commission concerning the National Marine Manufacturers Association's BOAT Political Action Committee's (BOAT PAC) March Monthly FEC report (2/1/2011-2/28/2011). Specifically, the letter notes that the totals listed on Lines 11(a)(i) and 11(a)(ii), Column B of the Detailed Summary Page of the March Monthly report appear to be incorrect. When generating the March Monthly report, the vendor who prepares the report on behalf of BOAT PAC inadvertently used an incorrect amount for itemized receipts carried over from the February Monthly FEC report. As a result, the amounts reported on Lines 11(a)(i) and 11(a)(ii), Column B of the Detailed Summary Page on the March Monthly FEC report were incorrect. An amendment to the March Monthly FEC report has been filed showing the correct amounts on Column B. Amendments to the subsequent reports filed in 2011 have also been filed to correct the Column B totals for Lines 11(a)(i) and 11(a)(ii).
